# MESSAGE FROM THE PRESIDENT AND THE EXECUTIVE DIRECTOR

Dear members and friends of the Supermarché Coop of Havre-aux-Maisons,

October certainly sets summer behind us, bringing a time for canning and pumpkins. October also brings Co-op Week (October 15-21) under the theme: Together, let's build a better world!

For our Coop, Co-op Week also highlights its 75<sup>th</sup> year of operation! The first 47 members left us a great example of solidarity, when, in 1942-43, they created our grocery store. That year, sales totaled \$6. Since then, much commitment to the community demonstrated by numerous directors lead to a cooperative of over 900 members and sales close to \$9! Many changes occurred in our environment of production-consumption, yet our cooperative has adapted itself to meet its members increasing needs. The values of the cooperation remain: our cooperative always promotes a **democratic and rigorous management** in affairs, it favours the **access to local services and of quality in its products** while contributing to the **development of the Magdalen Islands community**. We are proud.

Next week will be a special time to recognize the merit of the cooperative formula and to show values of cooperation. Together, let's participate in the activities of the 75<sup>th</sup> anniversary.

On behalf of the members of the Board of Directors and of the store's staff, we thank you and wish you a pleasant Fall season!

Hélène Chevrier  
President of the Board of Directors

Dominik Arseneau  
Executive Director

You didn't know about this? Last July, we announced a new propane service. You can reach out to the hardware department staff during your next visit to learn more. This addition meets our mission of offering the best products and services to the community in the Eastern end of the Islands.

## FREE NUTRITIONIST SERVICE!

Eager to learn more about nutrition? Our nutritionist is present in store two Saturdays a month from 9:00 am to 1:00 pm to offer you advice. On October 21<sup>st</sup>, Paméla will present various ways to use pumpkin in your kitchen! The pumpkin is well known for Fall décor, but too little for its excellent nutritional values!
